Kinetic Potential Scholars

Subject Areas:

Math, ELA, Reading, Science

Grade Levels:

K-12

Time of Service:

Before/after school, weekends, summer, holidays

Teacher/Student Ratio:

1:1-10

Program Description:

The Kinetic Potential Scholars (KPS) program is a comprehensive online program that utilizes video game technology (i.e. similar to Wii/Playstation) to engage students in their own education as video games grab and keep the attention of its players. By recruiting KP Tutors from America's top graduate universities in education-- including those of Harvard, Columbia, Penn, and Yale-- we provide our families with the highest caliber of educators to support their academic growth. Kinetic Potential Scholars is more than just tutoring; we also provide our students with mentors that are focused on the long-term development of our students.

Learn-It Systems

Subject Areas:

Reading/Language Arts, Math

Grade Levels:

K-10

Time of Service:

Before/after school, weekends, summer

Teacher/Student Ratio:

1:5-10

Program Description:

Learn-It has helped thousands of students nationwide learn the reading and math skills they need to succeed. We offer three programs: Advantage (in-person), Online (synchronous online) or Blended (a blend of computer-assisted and live instruction). Our programs are proven effective: students who have completed our programs demonstrate an average increase of 37% in the math and 30% in the reading. SWDs averaged gains of 52% in reading and 61% in math; and ELLs averaged gains of 63% in reading and 77% in math.
