- 354 1. In case of the death of an immediate family member, grandparent, or grandchild of
355 the employee or their spouse, the employee shall be granted permission to be

369 year shall have the obligation to complete their extended work assignment at no
370 additional pay.

371 **F. Personal Leave.**

- 372 1. At the beginning of each work year, each full-time employee shall be credited with
373 two (2) days, or four (4) half-days, to be used for the employee's personal business.
- 374 2. An employee planning to use a personal day shall notify their supervisor at least five
375 (5) working days in advance, except in cases of unforeseen emergency. An

- 376 emergency is defined as “an unexpected occurrence or set of circumstances which
 377 require the immediate attention and presence of the employee.” Requests for
 378 personal leave must be made through the method determined by the Employer.
 379 3. The Employer will accept requests for personal leave no earlier than July 1 for the
 380 period of July 1 through September 30. Personal leave requests for October 1
 381 through the end of the contract year will be accepted no earlier than the first day of
 382 student contact for the school year.
 383 4. No personal leave will be granted during conferences, provided that the dates of
 384 conferences are announced prior to the first day of student contact for the school
 385 year.

 391 7. Approval of personal leave shall not be rescinded by the Employer once approved.
 392 8. Up to five (5) unused personal days will be carried over from year to year.
 393 9. Up to two (2) unused personal days per contract year may be paid out to the
 394 employee on June 30 at the District’s standard substitute rate.

395 G. **Vacation Accrual for 12- Month Teacher Contracts.**

- 396 1. Eligibility. Twelve (12)-month teacher contract employees will be granted an annual
 397 paid vacation period at the end of each fiscal year. The paid vacation period will be
 398 based upon the employment in that fiscal year and will be prorated for those
 399 employees who work less than the full fiscal year. The paid vacation period will be
 400 computed from the employee’s total length of continuous service.
 401

Length of Service	Vacation Period (Subsequent Year)
0 months – 11 months	5/6 day per month
More than 11 months	10 working days

402
 403
 404 The service requirement during the first fiscal year of employment will be
 405 determined by the most recent day of hire. All yearly service requirements will be
 406 based on service during the complete fiscal years. More than eleven (11) months of
 407 employment in the first fiscal year of employment will count as one full fiscal year of
 408 employment. No vacation days may be taken in advance of their accrual. At least half
 409 of the month must be worked in order to receive credit for that month toward
 410 vacation. Vacation accrued during one fiscal year must be used before the end of the
 411 following fiscal year. Twelve (12) month teachers may carry a balance of up to twice
 412 their annual accrual into the following year.

413
 414 Only exceptional reasons for variations from this procedure may be considered by
 415 the Chief of Talent and Personnel or their designee.

- 416 2. Vacation Pay. The rate will be the employee’s regular straight time rate of pay.

417 Employees will receive pay for vacation at the time of their regularly scheduled
418 paydays. An employee working less than the fiscal year will receive prorated pay for
419 vacation following the conclusion of service.

- 420 3. Vacation Periods. Vacation schedules will be set by the employee's immediate
421 supervisor(s) and sent to the Office of Talent and Personnel for approval. Employees
422 may request a particular period for vacation. Vacation days may not be taken in
423 advance of their accrual. Those employees who are on a twelve (12)- month teacher
424 contract are paid during Spring Break and Winter Break; however, those employees
425 are not expected to be in attendance or perform duties during those breaks.
- 426 4. Working During Vacation. In order to work during vacation periods, pre-approval
427 must be received from the building administrator or immediate supervisor. Those
428 days worked would be available as vacation to be taken later during the same fiscal
429 year.
- 430 5. Termination of Service. Any employee on a twelve (12)- month teacher contract
431 who is laid off, discharged, retires, or resigns prior to taking their vacation will be
432 compensated for accrued vacation unused by the employee at the time of
433 separation. Those under 230-day teacher contracts do not earn or accrue vacation;
434 however, those employees are paid during Spring Break and Winter Break and are
435 not expected to be in attendance or perform duties during those breaks.

436 **H. Sabbatical Leave.**

- 437 1. A sabbatical leave may be granted to a regular full-time employee for the purpose of
438 study, travel, or other reasons involving probable advantage to the Employer. A
439 sabbatical leave shall be for either one (1) or two (2) consecutive semesters. Written
440 application must be made to the Chief of Talent and Personnel or their designee
441 before the last day of the first semester for the following year, or by the last day of
442 the second semester of the prior year for the second semester of the next year. An
443 employee requesting sabbatical leave must have completed five (5) consecutive
444 satisfactory full-time years of service with the Employer following probation. An
445 employee on sabbatical leave shall be provided the opportunity to purchase
446 insurance benefits at the Employer plan's premium cost. No more than five (5)
447 teachers may hold sabbatical leaves simultaneously.

448
449 The Office of Talent and Personnel shall make the selection of an employee for
450 receipt of sabbatical leave. While on leave, an employee may not engage in full-time
451 employment except upon receipt of written permission from the Chief of Talent and
452 Personnel or their designee. This does not preclude acceptance of fellowships or
453 other grants or gifts. Regular full-time employees who have been granted sabbatical
454 leave will agree to return to the service of the Employer for a period equal to two (2)
455 times the length of the sabbatical leave. If an employee does not fulfill this obligation
456 to return to regular service at the expiration of the leave, all pay received during the
457 leave will become immediately due and payable to the Employer.

458 **I. Educational/Professional Purpose.**

- 459 1. Attendance at educational meetings or visiting other schools is permitted at full pay
460 if the Office of Talent and Personnel approves such absence. If any regular full-time
461 employee wishes to be absent from duty for a brief period to attend a professional
462 meeting, or to visit schools, a written request for approval of such absence on a form

463 as provided by the Employer should be signed by the principal or supervisor and
464 filed in the Office of Talent and Personnel at least ten (10) day prior to the first day
465 of anticipated absence.

466 **J. Extended Leaves Without Pay.**

467 Extended leaves of absence may be granted for health, professional study, or family
468 responsibilities, which may include child nurturing. Employees may request
469 extended leaves of absence without pay for a period of time to be terminated at the
470 conclusion of the semester during which leave commenced or for one additional
471 semester following the conclusion of the semester in which the leave commenced.
472 An employee shall file an application with the Office of Talent and Personnel. The
473 application shall be reviewed by that Office and will be submitted to the Board of
474 Directors for their consideration. The employee's service will resume either at the
475 beginning of the fall or spring semester in accordance with the leave of absence
476 agreement.

477
478 While on extended leave, the employee's interest in the retirement funds,
479 accumulated sick leave and placement on the salary schedule shall be frozen. While
480 no additional benefits will be provided by the Employer during the leave period, the
481 employee may purchase such benefits. At the conclusion of the extended leave of
482 absence, the salary of the employee shall be the salary stated on the salary schedule
483 for the step and class for which that employee was appointed at the time of the
484 commencement of the leave. A request for early termination of the leave agreement
485 and reinstatement of position must be made in writing to the Office of Talent and
486 Personnel at least thirty (30) days prior to the beginning of the new semester. The
487 Employer shall reserve the right to delay reinstatement until the beginning of the
488 school semester following the request. Early reinstatement before the beginning of
489 the new semester would be contingent upon an available vacancy. An employee who
490 is granted a leave of absence for a regular school year must indicate a desire to
491 return at the time all other employees sign a contract for the upcoming school year.

492 **K. Summer School.**

493 Employees engaged in teaching summer school shall be granted two (2) summer
494 school days of absence in a single term for either sick leave or emergency leave, or a
495 combination of both, non-accumulative.

496 **L. Jury Duty.**

497 In the absence of extraordinary circumstances, employees may be excused for jury
498 duty. In order that no employee shall suffer financial loss because of such absence,
499 no deduction from the employee's compensation will be made during the term of
500 jury service, provided that all jury fees received by the employee are turned over to
501 the Employer.

502 **M. Religious Holidays.**

503 Employees whose religious affiliation requires the observance of holidays other
504 than those regularly scheduled in the school calendar may be excused by the Office
505 of Talent and Personnel without loss of compensation. Employees will be eligible to
506 use personal leave as religious leave. If additional unpaid leave is requested, it will

512 without loss of pay, but employees are expected to take such training during the
513 times when school is not in session whenever possible.

514 **O. Military Service.**

515 Leaves of absence are granted for military purposes, not to exceed the enlistment or
516 draft period. On completion of military service, the salary of the employee is entitled
517 to reinstatement at the same wages they would have received had they not taken
518 such a leave, but subject to the following conditions: that the position was not
519 abolished, that they are physically and mentally capable of performing the duties of
520 the position, that they provide a written application for reinstatement to the Office
521 of Talent and Personnel within ninety (90) days after termination of military
522 service, that they submit an honorable or general discharge from the military
523 service, and that they have the appropriate license(s) and certification(s).

527 engage in practices granted in Article XII- Leaves of Absence, Sections A-Prior

881 **Appendix: 4 Letters of Understanding 2024-2029**

882 **Letter of Understanding-Teacher Leadership System**

883 The Des Moines Independent Community School District has applied for and received
884 approval from the Iowa Department of Education to participate in the Iowa Teacher
885 Leadership System. The Des Moines Independent Community School District and the Des
886 Moines Education Association have reached the following agreement in regard to the
887 Comprehensive Agreement articles that will be affected by and other issues related to the
888 implementation of a local Teacher Leadership System (TLS). This Letter of Understanding
889 (LOU) shall be reviewed and/or amended on an annual basis thereafter.

890 **A. Selection Committee.**

- 891 1. An EQPD representative will be on the interview committees. The committee shall
892 be comprised of equal numbers of teachers and administrators and at least one
893 teacher will be appointed by the Association.
- 894 2. The committee will accept and review applications for a TLS position and will make
895 recommendations to the hiring administrator. In developing recommendations, the
896 committee will utilize measures of teacher effectiveness and professional growth,
897 consider the needs of the District, and review the performance and professional
898 development of the applicants. Teachers who are selected must meet all of the
899 qualifications contained in the TLS grant and contained in the law.

900 **B. Selection of Teacher Leaders.**

901 The hiring administrator will review the committee’s recommendations and shall
902 appoint teachers to serve in TLS positions. In making appointments, the hiring
903 administrator will consider the needs of the Employer and the performance and
904 professional development of the applicants.

905 **C. Assignment of Teacher Leaders.**

- 906 1. Teachers assigned to TLS positions shall retain their regular teaching contract
907 issued in accordance with Iowa Code Chapter 279 and shall be issued a
908 supplemental contract for a one-year assignment relating to their leadership role.
909 The supplemental contract shall not be subject to Iowa Code Chapter 279.
- 910 2. The assignment of teachers to TLS positions shall not be subject to the transfer
911 procedures contained in the Comprehensive Agreement. No employee will be
912 involuntarily assigned to a TLS position.
- 913 3. Prior to the termination of a TLS supplemental contract by a teacher and no later
914 than five (5) work days, the teacher will give notice to the Employer and will be
915 advised if there is a vacant position for which the teacher possesses the necessary
916 certification and endorsements. If there is a vacant position for which the teacher in
917 a TLS position possesses the necessary certification and endorsements, then the
918 teacher will be awarded the position. If there is no vacant position for which the
919 teacher in a TLS position possesses the necessary certification and endorsements,
920 then the teacher in a TLS position will be so notified within five (5) calendar days of
921 submitting their notice to the Employer and the teacher may withdraw their notice
922 of resignation. A teacher in a TLS position must withdraw their notice of resignation
923 no later than March 2. If there is no vacant position for which the teacher in a TLS
924 position possesses the necessary certification and endorsements and if the teacher
925 does not wish to withdraw their notice of resignation, then the teacher in a TLS

926 position will be given an opportunity to apply for a voluntary transfer to any
927 positions which become available after the teacher has submitted notice of
928 resignation. If, after providing notice of resignation, there is a vacant position for
929 which the teacher in a TLS position possesses the necessary certification and
930 endorsements, then the teacher will be awarded the position. If, after providing
931 notice of resignation, there is no vacant position for which the teacher in a TLS
932 position possesses the necessary certification and endorsements, then the least
933 senior teacher who fills a position which requires the certification and
934 endorsements possessed by the teacher in the TLS position will be subject to layoff
935 and the teacher in the TLS position will be assigned to that teacher's position.

936 4. Prior to the termination of a TLS position by the Employer and no later than five (5)
937 workdays, the Employer will give notice to the teacher and the teacher will be
938 advised if there is a vacant position for which the teacher possesses the necessary
939 certification and endorsements. If there is a vacant position for which the teacher
940 possesses the necessary certification and endorsements, then the teacher will be
941 awarded the position. If there is no vacant position for which the teacher in a TLS
942 position possesses the necessary certification and endorsements and if the teacher
943 does not wish to withdraw their notice of termination, then the teacher in a TLS
944 position will be given an opportunity to apply for a voluntary transfer to any
945 positions which become available after the teacher has submitted notice of
946 termination. If, after providing notice of termination, there is a vacant position for
947 which the teacher in a TLS position possesses the necessary certification and
948 endorsements, then the teacher will be awarded the position. If, after providing
949 notice of termination, there is no vacant position for which the teacher in a TLS
950 position possesses the necessary certification and endorsements, then the least
951 senior teacher who fills a position which requires the certification and
952 endorsements possessed by the teacher in the TLS position will be subject to layoff
953 and the teacher in the TLS position will be assigned to that teacher's position.

954 **D. Teacher Leadership Compensation.**

955 The salary supplements received by the teachers assigned to TLS positions will be
956 as specified in the Employer's approved Teacher Leadership grant application. The
957 salary supplement is compensation to the teacher in the TLS position for the
958 additional contract days and hours of work required of the teacher.

959 **E. Hours of Work.**

960 Teachers in TLS positions will work the number of hours specified in Article X and
961 as necessary to perform the duties of their teaching and TLS position. The
962 expectations of the Employer with regard to hours of work of teachers in TLS
963 positions will be contained in the job description for each TLS position. The
964 description will include expectations for parent-teacher conferences, regular duty,
965 assignments, school events, and other teaching-related duties.

966 **F. Work Year.**

967 Teachers in TLS positions will work the number of days specified in the Employer's
968 approved Teacher Leadership grant application and as provided by law.

969 **G. Seniority.**

970 Teachers in TLS positions will be considered members of the bargaining unit and
971 will continue to accrue seniority in the classification to which they were assigned at

972 the time of their selection for a TLS position.

973 **H. Assessment of Performance.**

974 The assignment of a teacher to a TLS position will be subject to review by the
975 District's administration at least annually. The first review must be completed no
976 later than five (5) workdays before the beginning of the transfer process. The
977 review shall include peer feedback on the effectiveness of the teacher's performance
978 of duties specific to the teacher's TLS position. A teacher who completes an
979 assignment in a TLS position may apply for assignment to a new TLS position.

980 **I. Funding for Program.**

981 Teacher leadership supplement foundation aid from the state shall be required to
982 sustain the TLS program. The TLS salary will not be included in the salary schedule.
983 Any reduction or elimination of this support will result in a corresponding reduction
984 or elimination of the assignment and compensation described in the LOU. In
985 addition, the total amount of TSS for teachers hired to replace the teacher leaders,
986 will be deducted from the TLS grant.

987 **J. Separation from Teacher Evaluation.**

988 This LOU will establish a wall between the TLS system and the evaluation process
989 for the performance of teaching duties. Teachers in TLS positions will not evaluate
990 other teachers.

**MEMORANDUM OF UNDERSTANDING
BETWEEN DES MOINES PUBLIC SCHOOLS AND DES MOINES EDUCATION ASSOCIATION
REGARDING TLC PROPOSED AMENDMENTS**

This Memorandum of Understanding (“MOU”) is entered into between the Des Moines Independent Community School District (the “District”) and the Des Moines Education Association. This MOU shall be in effect for the 2024-2025 contract year and shall automatically sunset on June 30, 2025:

This letter constitutes an agreement between the Des Moines Public Schools and Des Moines Education Association regarding TLC proposed amendments.

Summary:

- 1,650 stipends are projected for the 2024-2025 school year in the following three levels: Coaches, District-Wide Teacher Leaders, and School-Based Teacher Leaders. Within each of these levels, multiple roles have been identified: **School-Based Teacher Leaders:** School Leadership Team Members, Mentors, PLC Leaders, English Learner (ELL) Team Leads, **Coaches:** Instructional Coaches, and **District-Wide Teacher Leaders:** District PLC Content Facilitator, TLC Coordinator, Transformational Coaches, System Improvement Coordinators.
- All extra days are now included in the stipends, this will not be turned in and paid for at the workshop rate. By folding the additional days into the salary supplement the budgeted dollars to TLC will more closely match year-to-year expenditures and is aligned with state guidance regarding TLC supplemental pay.
- We are projected to spend \$12,456,693.00 on TLC roles and positions.
